

Whispering Lake Grove A.D.F.

Beltaine Solitary Ritual

PREPARATION

ATTUNEMENT

Closing my eyes, I take a few deep cleansing breaths.

Breathing in through my nose and out through my mouth.

In through my nose and out through my mouth.

As I breathe, I lay aside the worries, troubles and woes of the mundane world. *(pause 4 count)*

I now stand between Earth and Sky

I feel my feet firmly resting upon the Earth

I know that below me flows the primal waters

Cold, dark and chaotic; filled with the potential of all life.

Allowing the primal waters to enter my being.

I feel the coolness of the waters as they pool within my belly, within my heart and finally, within my head. *(pause 8 count)*

Reaching high into the sky above

I feel the illuminating radiance of the Heavens

I know that above me burns the primal fires

Warm, light and ordered; filled with the spark of all life.

Allowing the primal fire to enter my being.

I feel the warmth of the fires as they illuminate my mind, my heart and finally my spirit. *(pause 8 count)*

I feel the primal powers of Earth and Sky as they surge through me, lending strength and energy to me being. *(pause 8 count)*

As I open my eyes, I know that I to worship with a common purpose.

May my worship be true.

May my actions be just.
May my love be pure.
Blessings, honor and worship to the Holy Ones.

PROCESSION

In Song

The Waters flow around us
The Fires burn within us
Standing tall we gather at the center of the world.
Upon the Earth our mother
We worship here together
All as one we gather at the center of the world.

1ST PHASE

STARTING THE RITE & ESTABLISHING THE GROUP MIND

CLEAR-CUT BEGINNING

OPENING PRAYERS

Musical Signal- *A bell chimes nine times.*

Clear-cut Beginning

The days grow longer and the sun's power strengthens.
The green world blossoms with new life.
A warm wind blows across the fertile land, as the gentle rain
nurtures the new growth. Tonight, I gather in this sacred place
upon the Earth and beneath the Sky; cradled by the waters that
surround me as I begin my worship.

Honoring the Earth Mother and Sky Father

Earth Mother & Sky Father

Forever, Mother and Father of all that was, of all that is and all
that will be. Your child comes before you in love and respect to

STATEMENT OF PURPOSE

Purpose of the Ritual

Tonight I gather between the Earth and Sky.
To worship and honor the Kindred.
To sing their praise and make my sacrifice.
As I seek their blessings in return.

I gather this night in celebration of the turning wheel.
Enjoying the sights and sounds of the greenworld around me.
Tonight I celebrate fertility, love and life,
As I honor the Primal Mothers and Fathers of all.

May all who gather this eve be welcome!
Biodh se amhlaidh! (bee shay awlah)

CONSECRATION OF SPACE & PARTICIPANTS

Outdwellers *(at the Southern fire a token for the Outdwellers)*

Beings of chaos and discord!
Hoards, whose minds know not rest and whose spirits know not peace.
To all those whose screams and cries, harmonize not with our songs and praise.
Know that this time and place I claim as mine!
You may have held it in the past, you may hold it in the future, but for now,
Let it be known that it is MINE!
I have given to you all that I intend to give.
May order reign and chaos trouble not my gathering!

Purification of Participants & Space

The aspersion bowl is filled from the Well and the censer is kindled from the Fire. The participant and Nemeton are cleansed with water from the well and purified with smoke from the censer.

*With the powers to create and destroy.
And the strength to cleanse and purify.*

Through the union of fire and water,
My Nemeton is made whole and holy!
Once more I have met the threat of chaos with order and laid claim to this place. I have made sacred this space that I may worship and honor the Kindred as one people.

2ND PHASE

RECREATING THE COSMOS & PRELIMINARY POWER RAISING

THE SACRED CENTER

Affirmation of Unity

In Song

Deep Peace (Author Unknown)

Deep peace of the flowing air to you

Deep peace of the sacred flame

Deep peace of the running wave to you

Deep peace of the quiet earth

May peace, may peace, may peace fill your soul

Let peace, let peace, let peace make you whole.

Repeat chant 3 times

Establishing Sacred Time

In the beginning and so too in the end; there was but the fires of the Sky and the waters of the Earth. And between them lay a fertile land.

In the South the old Fir Bolg King, dreamed of birds, the sky grew

dark as the great flock approached the shore.

From the North through smoke and mist came beings of great might and magic, the vast army of the Tuatha to overtake the land. Bringing with them four treasures that would assure their victory. Reaching the shore, the Tuatha burnt their ships and a great battle for the land began. Great numbers of the Fir Bolg fell as the armies of the Tuatha swept across the land. In defeat the Fir Bolg retreated to the lands of the Fomorians and the Tuatha De Danann lay claim to Ireland.

FIRE, WELL & TREE (chant)

Our passage to the Sky

Fire, bright Fire

The bile is asperged with water from the well and censed with incense.

COMPLETING THE COSMOLOGY

To Land, Sea & Sky

The waters support and surround me.

The land extends about me.

The sky stretches above me.

And at the center burns a living flame.

Let me pray with a good fire.

May all the Kindred bless me.

May my worship be true.

May my actions be just.

May my love be pure.

Blessings and honor and worship to the holy ones.

OPENING THE GATES

Manannan MacLir, it is your might and magic that wards the threshold.

Grey Rider of Aonbarr, I ask for your protection as we walk through the mist this night.

Manannan MacLir, Mist Weaver, accept my offering and be welcome here!

Manannan, merge now your magick with mine!

See the flame leaping forth from the fire.

See the mist arising from the well,

Flame and mist converging upon the tree.
Forming a meeting place between the realms

Striking a triskel over the fire

Let the fire burning towards the heavens open as a gate that I may follow the way to the Shining Ones.

Striking a triskel over the well

Let the well whose depths reach the Underworld open as a gate that I may follow the way to the Mighty Dead.

Striking a triskel upon the tree

Let the tree, pathway between Earth & Sky, be open to me.

By the land before me!

By the seas about me!

By the sky above me!

Let the Gates Be Open!

By the sky above me!

Let the Gates be closed!

STATEMENT OF ENDING

Unmerging, Regrounding & Recentering: Meditation

Once more I close my eyes; breathing deeply in through my nose and out through my mouth **(pause for a 2 count)**.

As the mighty oak is part of the forest, we are all part of the great circle of life. I will remember the blessings I have received this night **(pause)**.

As I stand between Earth and Sky

Once more I feel my feet firmly resting upon the Earth

I know that below me flows the primal waters.

Once more I feel the coolness of the waters that have pooled within my belly, within my heart and finally, within my head.

(pause 4 count)

Reaching high into the sky above

I feel the illuminating radiance of the Heavens.

I know that above me burns the primal fires.

Once more I feel the warmth of the fires that have illuminated my mind, my heart and finally my spirit. **(pause 4 count)**

I feel the primal powers of Earth and Sky surging through me, as they have given strength and energy to my being. **(pause 4 count)**

I keep of this power what I need, sending what remains forth from my being into the Great Lake **(pause)**. I see this energy heal and protect her as I conclude my worship.

May all that is be what was, that it may be again!

Musical Signal- *A bell chimes 9 times.*

I will keep the faith until the sky falls upon me and crushes me; until the earth opens and swallows me; until the seas arises and overwhelm me.
