## **PREPARATION**

### GROVE ATTUNEMENT (Isaura)

Closing your eyes, take a few deep cleansing breaths.

Breathing in through your nose and out through your mouth.

In through your nose and out through your mouth.

As you breathe, lay aside the worries, troubles and woes of the mundane world. *(pause 4 count)*

We now stand between Earth and Sky

Feel your feet firmly resting upon the Earth

Know that below us flows the primal waters

Cold, dark and chaotic; filled with the potential of all life.

Allow the primal waters to enter your being.

Feel the coolness of the waters as they pool within your belly, within your heart and finally, within your head. *(pause 8 count)*

Reaching high into the sky above

Feel the illuminating radiance of the Heavens

Know that above us burns the primal fires

Warm, light and ordered; filled with the spark of all life.

Allow the primal fire to enter your being.

Feel the warmth of the fires as they illuminate your mind, your heart and finally your spirit. *(pause 8 count)*

Now join your hands, your hearts and your minds as one people.

*(All participants join hands)*

Feel the primal powers of Earth and Sky as they surge through you, lending strength and energy to your being. *(pause 8 count)*

As we open our eyes, know that we assemble as one folk to worship with a common purpose.

**All:**

May our worship be true.

May our actions be just.

May our love be pure.

Blessings, honor and worship to the Holy Ones.

## STATEMENT OF PURPOSE

---

### Purpose of the Ritual

*Isaura & Marcia-places milk & oats outside the door.*

*Luna & Chris G.- Luna places the Brighids mantel on the shrine and Chris places the candle and lights the shrine hearth fire.*

*Marisha & Morrighan-prepares the bed for Brighid*

**(Carrion)**

This night the women of this hall make ready our home for a very special guest.

The fire of spring has been secretly lit within the shadows of darkness.

New life begins to stir deep beneath the blanket of white, as the Greenworld awakens from its slumber.

Tonight, we celebrate in sacred tradition the lengthening light, returning warmth and first stirring of Springtime.

With praise, love and sacrifice we shall honor Lady Brighid

That her blessings of health, wealth and wisdom might be ours!

## CONSECRATION OF SPACE & PARTICIPANTS

---

*Outdwellers (at the Southern fire the Sacrificer lays a token for the Outdwellers) (Raven)*

Beings of chaos and discord!

Hoard, whose minds know not rest and whose spirits know not peace.

To all those whose screams and cries, harmonize not with our songs and praise.

Know that this time and place we claim as ours!

You may have held it in the past, you may hold it in the future, but for now,

Let it be known that it is OURS!

We have given to you all that we intend to give.

May order reign and chaos trouble not our gathering!

## Purification of Participants & Space

*The aspersion bowl is filled by Eld Nadr. from the Well and the censor is kindled from the Fire by Moondragon. Ritual participants are cleansed with water from the well and purified with smoke from the censor. After the participants are cleansed and purified the Nemeton is cleansed and purified as the following power building chant is led by Raven.*

*With the powers to create and destroy.*

*And the strength to cleanse and purify.*

***When all participants have been purified Raven will step forward saying:***

**(Raven)**

Through the union of fire and water,

Our Nemeton is made whole and holy!

Once more we have met the threat of chaos with order and laid claim to this place. We have made sacred this space that we may worship and honor the Kindred as one people.

## THE SACRED CENTER

---

### Affirmation of Unity

**(Isaura)** Let us now raise our voice as one people.

### *In Song*

***Deep Peace (Author Unknown)***

*Deep peace of the flowing air to you*

*Deep peace of the sacred flame*

*Deep peace of the running wave to you*

*Deep peace of the quiet earth*

*May peace, may peace, may peace fill your soul*

*Let peace, let peace, let peace make you whole.*

***Repeat chant 3 times***

### Establishing Sacred Time (**Carrion**)

In the beginning and so too in the end; there was but the fires of the Sky and the waters of the Earth. And between them lay a fertile land.

In the South the old Fir Bolg King, dreamed of birds, the sky grew dark as the great flock approached the shore.

From the North through smoke and mist came beings of great might and magic, the vast army of the Tuatha to overtake the land. Bringing with them four treasures that would assure their victory.

Reaching the shore, the Tuatha burnt their ships and a great battle for the land began. Great numbers of the Fir Bolg fell as the armies of the Tuatha swept across the land. In defeat the Fir Bolg retreated to the lands of the Fomorians and the Tuatha De Danann lay claim to Ireland.

### *All in song* (**Grollwynn**)

*By Fire and by Water, between the Earth and Sky*

*We stand like the World-Tree rooted, deep, crowned high.*

*By Fire and by Water, between the Earth and Sky*

*We stand like the World-Tree rooted, deep, crowned high.*

*Come we now to the Well, the eye and the mouth of Earth,*

*Come we now to the Well, and silver we bring.*

*Come we now to the Well, the waters of rebirth*

*Come we now to the Well, together we sing.*

### **CHORUS**

*We will kindle a Fire, Bless all, and with harm to none,*

*We will kindle a Fire, and offering pour,*

*We will kindle a Fire, a light 'neath the Moon and Sun,*

*We will kindle a Fire, our spirits will soar.*

### **CHORUS**

*Gather we at the Tree, the root & the crown of all*

*Gather we at the Tree, below & above,*

*Gather we at the Tree, together we make our call,*

*Gather we at the Tree, In wisdom and love.*

### **CHORUS**

---

---

#### Unmerging, Regrounding & Recentering: Meditation

**(Isaura)** Children of Earth and Sky, join me once more as we close our eyes; breathing deeply in through your nose and out through your mouth **(pause for a 2 count)**.

As the mighty oak is part of the forest, we are all part of the great circle of life. Remember the blessings we have received together this night **(pause)**.

As we stand between Earth and Sky

Once more feel your feet firmly resting upon the Earth

Know that below us flows the primal waters.

Once more feel the coolness of the waters that have pooled within your belly, within your heart and finally, within your head. **(pause 4 count)**

Reaching high into the sky above

Feel the illuminating radiance of the Heavens.

Know that above us burns the primal fires.

Once more feel the warmth of the fires that have illuminated your mind, your heart and finally your spirit. **(pause 4 count)**

Feel the primal powers of Earth and Sky surging through you, as they have given strength and energy to your being. **(pause 4 count)**

Keep of this power what you need, sending what remains forth from our beings into the Great Lake **(pause)**. See this energy heal and protect her as we conclude our worship.

May all that is be what was, that it may be again!
