## Lughnasadh

August 2, 2009  
6:00 PM

### **PREPARATION**

#### **GROVE ATTUNEMENT (Raven)**

Closing your eyes, take a few deep cleansing breaths.

Breathing in through your nose and out through your mouth.

In through your nose and out through your mouth.

As you breathe, lay aside the worries, troubles and woes of the mundane world. *(pause 4 count)*

We now stand between Earth and Sky

Feel your feet firmly resting upon the Earth

Know that below us flows the primal waters

Cold, dark and chaotic; filled with the potential of all life.

Allow the primal waters to enter your being.

Feel the coolness of the waters as they pool within your belly, within your heart and finally, within your head. *(pause 8 count)*

Reaching high into the sky above

Feel the illuminating radiance of the Heavens

Know that above us burns the primal fires

Warm, light and ordered; filled with the spark of all life.

Allow the primal fire to enter your being.

Feel the warmth of the fires as they illuminate your mind, your heart and finally your spirit. *(pause 8 count)*

Now join your hands, your hearts and your minds as one people.

*(All participants join hands)*

Feel the primal powers of Earth and Sky as they surge through you, lending strength and energy to your being. *(pause 8 count)*

As we open our eyes, know that we assemble as one folk to worship with a common purpose.

**All:**

May our worship be true.

May our actions be just.

May our love be pure.

Blessings, honor and worship to the Holy Ones.

Earth Mother, accept our offering!

All: Earth Mother, accept our offering!

### **STATEMENT OF PURPOSE**

---

---

**Purpose of the Ritual (Grollwynn)**

This eve we gather upon the Earth as one tribe;  
To celebrate the first harvest as one people;

We gather kith, kin and clan beneath the Sky;  
To welcome the Kindred among us;

We gather this eve to honor of Lugh, the Many Skilled One and  
High King, Nuada.

That we may receive there blessings in return.

Today, we shall keep the Feast of Lughnassadh and reap that  
which we have sown.

### CONSECRATION OF SPACE & PARTICIPANTS

---

#### Outdwellers (Raven)

*The Druids Mist*

#### Purification of Participants & Space

*The aspersion bowl is filled by Chris G. from the Well and the  
censer is kindled from the Fire by Isaura. Ritual participants are  
cleansed with water from the well and purified with smoke from  
the censor. After the participants are cleansed and purified the  
Nemeton is cleansed and purified as the following power building  
chant is led by Raven.*

*With the powers to create and destroy.*

*And the strength to cleanse and purify.*

*When all participants have been purified Raven will step  
forward saying:*

**(Raven)**

Through the union of fire and water,  
Our Nemeton is made whole and holy!

Once more we have met the threat of chaos with order and laid  
claim to this place. We have made sacred this space that we may  
worship and honor the Kindred as one people.

### THE SACRED CENTER

---

#### Affirmation of Unity

**(Grollwynn)** Let us now raise our voice as one people.

#### *In song*

*Building Bridges Between Our Divisions*

*I reach out for you, as you reach out for me*

*With all of our voices and all of our visions*

*Brothers we could make such a sweet harmony*

*Sisters we could make such a sweet harmony*

*Author Unknown Repeat chant 3 times*

#### Establishing Sacred Time (Raven)

In the beginning and so too in the end; there was but the fires of the  
Sky and the waters of the Earth. And between them lay a fertile  
land.

In the South the old Fir Bolg King, dreamed of birds, the sky grew  
dark as the great flock approached the shore.

From the North through smoke and mist came beings of great  
might and magic, the vast army of the Tuatha to overtake the land.  
Bringing with them four treasures that would assure their victory.  
Reaching the shore, the Tuatha burnt their ships and a great battle  
for the land began. Great numbers of the Fir Bolg fell as the armies  
of the Tuatha swept across the land. In defeat the Fir Bolg retreated  
to the lands of the Fomorians and the Tuatha De Danann lay claim  
to Ireland.

## Fire, Well & Tree (Grollwynn)

*All in song*

*By Fire and by Water, between the Earth and Sky*

*We stand like the World-Tree rooted, deep, crowned high.*

*Come we now to the Well, the eye and the mouth of Earth,*

*Come we now to the Well, and silver we bring.*

*Come we now to the Well, the waters of rebirth*

*Come we now to the Well, together we sing.*

**(Carrion)** *An offering of silver is made to the well.*

### STATEMENT OF ENDING

---

---

#### Unmerging, Regrounding & Recentering: Meditation

**(Raven)** Good folk, join me once more as we close our eyes; breathing deeply in through your nose and out through your mouth **(pause for a 2 count)**.

As the mighty oak is part of the forest, we are all part of the great circle of life. Remember the blessings we have received together this night **(pause)**.

As we stand between Earth and Sky

Once more feel your feet firmly resting upon the Earth

Know that below us flows the primal waters.

Once more feel the coolness of the waters that have pooled within your belly, within your heart and finally, within your head. **(pause 4 count)**

Reaching high into the sky above

Feel the illuminating radiance of the Heavens.

Know that above us burns the primal fires.

Once more feel the warmth of the fires that have illuminated your mind, your heart and finally your spirit. **(pause 4 count)**

Feel the primal powers of Earth and Sky surging through you, as they have given strength and energy to your being. **(pause 4 count)**

Keep of this power what you need, sending what remains forth from our beings into the Great Lake **(pause)**. See this energy heal and protect her as we conclude our worship.

May all that is be what was, that it may be again!

**(Sy)**

Musical Signal- *A drum beats 9 times.*
