Words written by Wolf of Winter Night

Opening Blessings

Earth Mother (Druid 1)

Nerthus, Primal Mother of Earth
First and Eldest of the Van
You cradle the World Tree in your loving embrace
Ancient Mother of Midgard

Cloaked in green and brown
Adorned with amber bright
You sow fertility in the fields and folk
We call forth your cattle drawn carriage from its sacred grove

May our weapons be sheathed
May our thoughts be of peace
May our fields yield plenty

(Sacrificer) *Jet is sacrificed to Nerthus.*

Nerthus, Ancient Earth Mother, accept our sacrifice!

All: Nerthus, All Hail and Welcome!

Sky Father (Druid 2)

Mighty Tyr, Ancient Mystery of the Sky
Boldest and Most Courageous of the Aesir
You make fertile the Earth with your seed
Bright Father of Midgard

Primal power to sway victory in battle
Bringer of order and binder of chaos
You sacrifice yourself for the folk
We call forth your might and ancient wisdom

May we show courage in our battles
May we seek to do right by our kith and kin
May we learn the meaning of true sacrifice through your
guidance.

(Sacrificer) *Clarified butter is sacrificed to Tyr.*

Tyr, Ancient Sky Father, accept our sacrifice!

All: Tyr, All Hail and Welcome!

Divine Inspiration (Bard)

You traveled afar to Gunnlod's court.
The blood of Kvasir (Kvah-seer) your quest.
A giant, a snake and three sips of the brew,
And the treasure of Suttung (Soot-ung) was yours.

You cunningly took what was stolen by force
And to Asgard on eagles wings flew.
Returning to the Gods, a most precious gift
That is shared with the folk at your will.

But without chaos; order can not be
Blood brothers forever Mighty Odin and Sly Loki.
We offer this night a portion to chaos
That order may assume its rightful place.

(Sacrificer) *One quarter of Odin's honey is sacrificed to Loki.*

Mighty All-Father of the Aesir
Winner, keeper and giver of the Mead of Poetry
Pour down your mead upon us this night
That our songs and praise may echo throughout the nine worlds.

(Sacrificer) *The remaining honey is sacrificed to Odin*

Odin, One-Eyed Wanderer, accept our sacrifice!

All: Odin, All Hail and Welcome!

(Bard) Now let us raise our voices in song as one people.

Deep Peace (Author Unknown)

*Deep peace of the flowing air to you
Deep peace of the sacred flame
Deep peace of the running wave to you
Deep peace of the quiet earth*

*May peace, may peace, may peace fill your soul
Let peace, let peace, let peace make you whole.*

Repeat chant 3 times

Purpose and Precedent (Druid 4)

We gather this eve upon the Earth.
In celebration of the turning wheel.
Enjoying the warmth and protection of our hearth.
While we welcome our friends about us.

We gather this eve beneath the Sky.
In celebration of life anew,
Enjoying the returning warmth and light of the sun.
While we welcome the Kindred among us.

We gather this eve at the crossroads.
In celebration of the Feast of Ostara.
Enjoying the sights and sounds of Spring.
While we welcome the rebirth of the natural world before us.

Fire, Well & Tree

To the Fire (Druid 1)

Kindled of the hearth fire
Sacred flame upon the Earth
Joining together hearts and minds
Darkness banished before the roaring blaze

Transcending the realm of light and shadow
Purifier and cleanser of mind, body and spirit
Sacred fire open as a way to the Shining Ones.

(Sacrificer) *Incense is sacrificed to the fire.*

To the Well (Druid 2)

Threshold to the Otherworld
Window to the souls
Cauldron of inspiration
Sacred shrine of old

Ford of cleansing waters
Vessel of rebirth
Sacred well open as a path to the Mighty Dead.

(Sacrificer) *Silver is sacrificed to the well.*

To the Bile (Druid 3)

Mighty ash of the ancient grove
Roots burying deep within the Underworld
Wise teacher of traditions old
Branches reaching into the heavens.

Keeper of sacred knowledge
Pillar joining Earth and Sky; spanning all worlds

Road to all realms
Sacred tree, let all who walk this way walk in your wisdom.

(Sacrificer) *The bile is asperged with water from the well and censed with incense.*

To Land, Sea & Sky (Druid 4)

The waters support and surround us.
The land extends about us.
The sky stretches above us.
And in the center burns a living flame.

Let us pray with a good fire.
May all the Kindred bless us.
May our worship be true.
May our actions be just.
May our love be pure.

Blessings and honor and worship to the Holy Ones.

Land, Sea & Sky Text by Ceisiwr Serith

(Bard) We now raise our voices in song.

In song

***By fire and by water, between the Earth and Sky
We stand like the World-Tree rooted, deep, crowned high***

***By fire and by water, between the Earth and Sky
We stand like the World-Tree rooted, deep, crowned high***

*Come we now to the Well, the eye and the mouth of Earth
Come we now to the Well, and silver we bring
Come we now to the Well, the waters of rebirth
Come we now to the Well, and together we sing*

Chorus

*We will kindle a fire, bless all, and with harm to none,
We will kindle a fire, and offering pour,
We will kindle a fire, a light 'neath the Moon and Sun,
We will kindle a fire, our spirits will soar.*

Chorus

*Gather we at the tree, the root & the crown of all
Gather we at the tree, below & above,
Gather we at the tree, together we make our call,
Gather we at the tree, in wisdom and love.*

Chorus

Opening the Gates (Druid 4)

Heimdall, Son of the Nine Waves; Father of Mankind
It is your might and magic that wards the threshold.

White Lord of the Crossroads; Sounder of Gjallarhorn
It is your warning that all will hear before Ragnarok.

Mighty Watchman of the Gods, this night we ask for your
protection and guidance as we travel between Midgard and
Asgard.

(Sacrifice) *Dark ale is sacrificed to Heimdall.*

Heimdall, Great Guardian of Bifrost, accept our sacrifice!

All: Heimdall, All Hail and Welcome!

Heimdall, merge now your magic with mine!

See the flame leaping forth from the fire.
And the mist arising from the well,
Flame and mist converging upon the tree
Forming a meeting place between the realms.

Striking the hammer sign over the fire

Let the fire burning towards the heavens open as a gate that we
may follow the way to Asgard.

Striking the hammer sign over the well

Let the well whose depths reach the Underworld open as a gate
that we may follow the way to the Mighty Dead.

Let the tree, bridge between Earth & Sky, be open to us.

All: Let the Gates Be Open!

(Bard) Let us now sing our praise to Heimdall.

In song

*Gatekeeper open the portals,
Between the Gods and mortals,
Power freely flows, as our magic grows!*

Seasonal Enactment

Following the Seasonal Enactment, ritual participants are given an opportunity to make praise offerings in the form of poetry, song, dance, or works of their hands etc.

(Druid 4) Good Folk, long has the snow laid deep upon our land. Long has the icy chill gripped our hearts and long has the deep dark gripped our minds.

For too long Old Man Winter has held sway over the land, but tonight his reign has ended.

Tonight we celebrate the growing light and the coming of Spring. Tonight we celebrate for the tribe has survived another long dark and the horn has yet to sound.

(Holding up Old Man Winter) Behold, Old Man Winter!

The Liturgist will move to the Southern fire and pick up the lamp to ward chaos moving before the participants as they drive Old Man Winter to his place of final sacrifice. Two members of the company will stay behind to light the candles that have been prepared.

We will enter the land of chaos, but it will hold no sway upon us for before us we carry a flame of the sacred fire.

Good folk, join with me now as we give Old Man Winter his just due. Join with me this eve as we drive him beyond the fire's light.

Druid 4 will toss Old Man Winter into the ritual space. Participants will start kicking and beating Old Man Winter about the room and out of the Nemeton and into the parking lot.

(Sacrificer) *Once outside the Sacrificer will take Old Man Winter and drowned him in a well and finally burn him. As all participants witness his end in silence.*

The Bard will then lead a silent procession in honor of the Mighty Dead as participants re-enter our Nemeton followed by the Liturgist and the Southern fire.

(Bard) We now proceed in silence giving honor and remembrance to those of our tribe that await rebirth and renewal.

The two members of the company that stayed behind to light the candles will take up the baskets of eggs.

(Druid 4) Good folk, the light has returned and renewal is upon the land. For the ancients, our Ancestors the egg was the symbol of rebirth.

On the day of Ostara our ancestors placed red eggs upon the graves of those awaiting rebirth. As in the ways of our ancestors, we will now give honor to the beloved dead.

(passing the basket of eggs) Please take the symbol of rebirth and place upon the shrine of the Mighty Dead in honor of your ancestors.

Participants are given an opportunity to place eggs upon the Shrine.

(Druid 4) For the ancients, Ostara was also a time to prepare for the coming season of planting. This eve we too prepare for our season of planting, both spiritually and physically.

(Druid 4) As the ancients blessed their seeds in preparation for the season of planting, so to we bring forth our seeds to receive the blessing of Lady Ostara, the fertility of Bright Freyr and the protection of Mighty Thor.

We invite you now to bring forth not only the seeds that you will plant within the earth but the seeds that you will plant deep within your mind.

As you bring forth the seeds that you will plant within your mind burn them in the fire to spark your mind's creativity so that they may grow, mature and produce a bountiful harvest in your life.

As you bring forth the seeds that you will plant within the earth place them among the hallows so that they may receive the blessings of the Kindred to grow, mature and produce a bountiful harvest.

Once the final participant has brought their seeds to the hallows the Sacrificer will say the following.

(Sacrificer) At this time you may bring forth your offerings of praise to the Kindred.

Praise Offerings

Sacrifice and Omen (Sacrificer)

Through Mighty Heimdall, Great Warder and Guardian of the Ways, we have opened the Gates this night.

Through our praise, love and sacrifice;

We have honored the mighty Kindred as they walk among us.

Through communication with the Otherworld;

We receive guidance, inspiration and insight;

As we prepare to make our final sacrifice.

(Sacrificer) *A final sacrifice of hard alcohol, porridge, bird*

seed, grain, hot crossed buns and chocolate is prepared.

Kindred of land, sea and sky we call to you!

Tonight we call out from the crossroads to all who aid us!

We call to those of the Nine Worlds; those Noble Spirits of the lands about us!

You who have offered guidance and friendship.

All spirits of nature that aid us in our journey.

We call to those from the halls above & realms below!

You who have offered wisdom and inspiration.

Mighty Ones, our Ancestors and beloved friends that aid and inspire us.

We call out once more from the crossroads!

Hear us Eldest and Brightest of the Nine Worlds!

Deities known and unknown to us;

Shining Ones, whose might and bounty know no bounds!

(Sacrificer) *The final sacrifice is made.*

Mighty Kindred, accept our sacrifice!

All: Kindred, accept our sacrifice!

It is with love, honor and respect that we have offered hospitality to the Kindred this night.

We have called through the Gates and deep within the Otherworld our invitation to gather in their honor.

We have sung their praise; made our sacrifice.

It is our hope that our words and sacrifice have conveyed our love.

(Druid 2) Let us now close our eyes and open our hearts and minds to the Kindred. Breathing in through your nose and out through your mouth; **(pause)** in through your nose and out through your mouth **(pause)**. With each breath pouring out our love as we prepare to receive the blessings of the Kindred upon us.

Participants meditate on the Kindred, sending their energies through the gates.

(Druid 2) We send our love, honor and respect into the Middle realm to the Noble Spirits, our protectors and guides. It is their secret knowledge and companionship that we strive to share and be one with **(pause for a 4 count)**. May they feel our love; see our sincerity and hear our praise in their honor **(pause for a 2 count)**. Feel the presence of the Noble Spirits **(pause)**. Hear their whispers as we await their message **(pause for a 4 count)**.

(Druid 2) As we have gathered here as one people, joining hearts and minds we see those we have honored this night. We feel their presence and hear their whispers from the Otherworld **(pause for a 4 count)**. We send our love, honor and respect deep into the Sacred Well to the Mighty Dead, our Ancestors of blood and of spirit, it is their timeless wisdom that inspires us to strive always to better ourselves and our world around us. May they feel our love; see our sincerity and hear our praise in their honor. **(pause for a 2 count)** Feel the presence of the Mighty Dead. Hear their whispers as we await their message **(pause for a 4 count)**.

(Druid 2) We send our love, honor and respect through the Sacred Fire into the heavens to the Shining Ones, Eldest and Wisest, it is their guidance and blessings we seek **(pause for a 4 count)**. May they feel our love, see our sincerity and hear our praise in their honor **(pause for a 2 count)**. Feel the presence of

the Shining Ones. Hear their whispers as we await their message **(pause for a 4 count)**.

The Omen is taken. One rune is drawn for each of the three Kindred. The Seer then interprets the omen, leading the company to contemplate the things they would ask of the powers, especially as suggested by the omen.
