Celebrate the Summer Solstice

June 23, 2019

PROCESSION (Morrighan)

Let us now raise our voice as one people.

In song

The waters flow around us

The fires burn within us

Standing tall, we gather at the center of the world.

Upon the Earth our mother

We worship her together

All as we gather at the center of the world.

Words and music by Emerald

Repeat chant 3 times

The ritual space will be censed and asperged prior to the participants entering. The procession will be halted just prior to entering the space and the outdwellers will be acknowledged and removed from the space.

OUTDWELLERS (Chris)

Within each of us dwell forces that bring chaos into our lives, those influences that pollute our hearts and minds. *(pause)* These powers also dwell within the worlds, realms and among the Kindred. They threaten our world, our work, and our lives. Let us remember the influence and beings that stand against the Gods and Man. Let us remember the strife that they bring. *(pause)* Let us recognize their power and influence; their purpose. *(pause)* And with this token *(a token is held before all who have gathered)* may we seek to end our unhealthy relationships with them.

A token is laid beyond the ritual space in silence.

May we be free of the chaos that threatens to overwhelm us!

Let it be so!

All: Let it be so!

*Participants will be asperged by **Alicia** and censed by **Nathan** upon entering the ritual space.*

ATTUNEMENT (Carrion)

Joining our hands and closing our eyes, breathe deeply, (pause) feel your feet firmly resting upon the Earth, (pause) in your mind's eye see the Sky that stretches above us, (pause) and feel the presence of the Sea that surrounds us. (pause) We stand together in the Middle Realm, the world that we share with the Spirits of Nature.

Below us exists the Underworld realm of our Ancestors and the sacred source of the primal waters. Reaching far beneath you seek the primal waters. Let us call to them as they rise to meet us, 'sacred waters flow within us.' **All:** 'sacred waters flow within us'. Feel the waters as they enter your being filling the cauldron within your belly, (pause) within your heart (pause) and finally within your head (pause). Feel the creative potential that flows throughout your being.

Tuning your attention skyward, know that above us stretches the Heavens, realm of the Gods and home of the first fire. Reaching far beyond the sky seek the primal fire. Let us call upon this sacred spark of the first fire, 'sacred fire burn within us'. **All:** 'sacred fire burn within us'. See the illuminating radiance of the sacred fire as it shines upon you igniting the potential that flows within you. See the flames of the first fire ignite the cauldron within your head, (pause) the cauldron within your heart (pause) and finally the cauldron within your belly (pause).

Feel these primal powers as they surge through you. Your heart beats with the very pulse of all worlds. The fire and water that flows through our veins connects us to the worlds, the realms

and the Kindred. As we open our eyes let us be one in this place!

PURPOSE AND PRECEDENT (Nathan)

Welcome Children of the Earth and Sky!
Tonight, we gather to celebrate Solstice of the Sun, beneath Sunna's power and radiance!

Together we shall worship and honor the Bright Mistress of the Sun that she may bring healing to the spirits of this world, to folk and to the land. We shall sing her praise and make our sacrifice, seeking her blessings in return.

May all who gather this eve be welcome among us!

ESTABLISHING THE SACRED CENTER & RECREATION OF THE COSMOS

Establishing the Sacred Fire (Jaeme)

From our hearth fire we have kindled this sacred fire...
(an offering of oil is made to the fire)
Let these flames illuminate our work, as they live within our hearts and minds.
Let these flames burn away all ill, as they bring strength to our community.
Let these flames welcome our allies, as they ward all who would stand against us!
Sacred flames burn within this fire!

Establishing the Sacred Waters (Maggie the Weaver)

From the waters of our homes, we have filled this sacred well...

(an offering of silver to the well)

Let these waters bring potential to our work, as they flow within each of us.

Let these waters wash away all ill, as they bring strength to our community.

Let these waters welcome our ancestors, as they ward all who would stand against us!

Sacred waters flow within this well!

Recreating the Cosmos (Maggie the Baker)

In the beginning and so too in the end; there was but the fires of the Sky and the waters of the Earth and between them a vast emptiness.

Now, within the vast emptiness the illuminating power of the heavens and the creative potential of the Earth converged. The fires of the Sky ignited the waters of the Earth and new life began to stir.

Through the union of fire and water came forth the worlds, the realms and the Mighty Kindred., nine holy things which would create all others.

All:

The waters support and surround us,
The land extends about us,
The sky stretches above us,
And at the center burns a living flame,
Let us pray with a good fire,
May all the Kindred bless us,
May our worship be true

May our actions be just
May our love be pure.
Blessings, honor and worship to the holy ones.

Growing the Sacred Tree (Carrion)

Before us the great tree begins to grow.
Roots burying deep within the Underworld
Branches reaching the highest Heavens.
Mighty ash of the ancient groves,
You are the...
Keeper of Sacred knowledge
Pillar joining Earth and Sky; the Road to all Realms.
Sacred tree grow within this place.

The bile is asperged with water from the well and censed with incense by Grollwynn.

In song

Chorus-All

Hail to the Sun; Hail to her Rising; Hail to the bright and shining day; Hail to her setting; Hail to her Light along our way!

(Carrion)

Early in the morning the foaming waves are grey and cold,

At the beginning of the story we stand and watch the dawn unfold.

See her dancing on the waters. On a path of shining gold, like a kindled fire in winter, a brilliant story to behold.

Chorus-All

(Morrighan)

Through the day she watches as she travels in the skies, stretching to the far horizons; fair the world below her lies. Warmth she gives to

all earth's creatures; light to all that lives and dies; bright her coming and her going; how bright the sunshine in our eyes.

Chorus-All

PRAYER OF SACRIFICE (Nathan)

Through our praise, love, and sacrifice,
We honor the Mighty Mistress of the Sun. It is through our work and sacrifice that we receive her guidance, wisdom, and blessings. Tonight, we call out once more from the center of all worlds to Sunna that she may heal our world, bless our work and our lives, as we prepare to make our sacrifice to her.

Let us sing, dance and make music together upon the Earth and beneath the Sky and let the power we raise here this day strengthen and sustain the patron of this rite.

Participants take up instruments to raise energy, begin to pass the Sun Wheel between them as they chant, dance, and make a joyful noise to Sunna. Prior to the ritual all in attendance will be given an opportunity to tie ribbons for healing to the Sun Wheel. Additionally, the Sun Wheel will be utilized to direct and contain the energy of the ritual and will be sacrificed to Sunna at the end of the power raising phase of ritual by Carrion

Chris will take an omen to determine if our sacrifice has been accepted and when it has the following words will be spoken.

THE OMEN (Chris)

Chris takes the omen as Carrion leads all who have assembled to direct their energy through the gate. When the omen has been drawn Chris will pronounce each of three Runes. All in attendance will intone the runes into the blessing with Carrion's lead.

BLESSING OF THE WATERS

The following words will be spoken over the pitchers.

(Chris) As in the ways of old we have given our gifts freely and as in the ways of old a gift is given unto us in return.

(Carrion) We will drink deep of the Cup of Inspiration. May the blessings of health, wealth and wisdom be ours.

(Chris) Sunna your blessings upon us!

All: Sunna your blessings upon us!

(Carrion) We gather with you between Earth and Sky. We are proud to call ourselves your people.

(Chris) Once again, Sunna your blessings upon us!

All: Sunna your blessings upon us!

(Carrion) We have brought our offerings. We have made sacrifice.

(Chris) One last time, Sunna your blessings upon us!

All: Sunna your blessings upon us!

(Syruss) *The pitchers are lifted saluting the fire, well and tree.*

HALLOWING OF THE WATERS

(Chris) Behold the Waters of Life!

(Chris) Sunna hear and bless us.

(Carrion) Great Goddess of Life and Light, hallow these Waters of Life.

(Chris) *lifts the pitchers before the participants.*

(Chris) Behold the Waters of Life!

All: Behold the Waters of Life!

AFFIRMATION OF THE BLESSINGS

(Chris) Now Good folk, do you wish to receive the blessings Of Sunna? _____. Then we shall drink deep her blessings!

The Waters are passed (Alicia & Syruss) and all participants share the waters. As the waters are passed the following song is sung by all participants.

As the blessings are passed Carrion will lead the chant, "Blessings of the Holy Ones".

Blessing of the Waters

The Blessings of the Holy Ones

Be on me and mine

My blessings on all beings

With peace on the and thyne.

The fire, the well, the sacred tree

Flow and flame and grow in me.

STATEMENT OF ENDING (Carrion)

Once more take a few deep cleansing breaths as we reaffirm our center (*pause 4 count*). We stand together at the center of all worlds, upon the land, beneath the sky, surrounded by the sea. We span the worlds, connecting earth and sky and the Kindred as one (*pause 4 count*).

Remember that below us flows the primal waters filled with the potential of all life. It is these waters that surge through your very being. (*pause 8 count*)

Remember that above us burns the primal fires filled with the spark of all life. It is these powers that have illuminated the waters that surge through you. (*pause 8 count*)

The primal powers of fire and water unite within us bringing new life and balance to our beings. Our hearts beat with the very pulse of all worlds (*pause 8 count*)

Remember that we share these worlds with the Spirits of Nature, with the Ancestors and with the Gods. As they bless us, offer their wisdom and guidance let us forever remember the old bargain.

Remember the powers of earth and sky, the sacred fire and waters, that flow within you... take what you need to maintain balance and release back to the earth and sky all that has gone unused. Know that the fire and water that flows from us helps

to sustain the worlds, the realms and the Kindred as we conclude our worship.

May all that is be what was, that it may be again!
