## PURPOSE AND PRECEDENT

Welcome Children of the Earth and Sky!

Tonight, we gather to celebrate the season of the harvest, the Feast of Lughnasadh, and the sacred union between the Goddess of the Land and her Champion.

Together we shall worship and honor the Great Goddess of Sovereignty and Mighty Lugh, Champion of the Tuatha, that they may continue to support and sustain our work, our world, and our lives as we celebrate the first harvest.

We shall sing their praise and make our sacrifice, seeking their blessings in return.

May all who gather this eve be welcome among us!

## ATTUNEMENT

Joining our hands and closing our eyes, breathe deeply, (pause) feel your feet firmly resting upon the Earth, (pause) in your mind's eye see the Sky that stretches above us, (pause) and feel the presence of the Sea that surrounds us. (pause) We stand together in the Middle Realm, the world that we share with the Spirits of Nature.

Below us exists the Underworld realm of our Ancestors and the sacred source of the primal waters. Reaching far beneath you seek the primal waters. Let us call to them as they rise to meet us, 'sacred waters flow within us.' **All:** 'sacred waters flow within us'. Feel the waters as they enter your being filling the cauldron within your belly, (pause) within your heart (pause) and finally within your head. (pause) Feel the creative potential that flows throughout your being.

Tuning your attention skyward, know that above us stretches the Heavens, realm of the Gods and home of the first fire. Reaching far beyond the sky seek the primal fire. Let us call upon this sacred spark of the first fire, ‘sacred fire burn within us’. **All:** ‘sacred fire burn within us’. See the illuminating radiance of the sacred fire as it shines upon you igniting the potential that flows within you. See the flames of the first fire ignite the cauldron within your head, (pause) the cauldron within your heart (pause) and finally the cauldron within your belly. (pause)

Feel these primal powers as they surge through you. Your heart beats with the very pulse of all worlds. The fire and water that flows through our veins connects us to the worlds, the realms, and the Kindred. As we open our eyes let us be one in this place!

*Musical Signal:* A drum sounds 3X3 times

#### **Lighting the Sacred Fire**

From our hearth fire I kindle this sacred fire...

***(lighting the ritual fire from a hearth candle on the sacrifice table and offering incense to the fire)***

Let these flames illuminate our work, as they live within our hearts and minds.

Let these flames burn away all ill, as they bring strength to our community.

Let these flames welcome our allies, as they ward all who would stand against us!

Sacred flames burn within this fire!

#### **Pouring the Sacred Waters**

From the waters of our homes, I fill this sacred well...

***(pouring the Grove waters and making the offering of silver to the well)***

Let these waters bring potential to our work, as they flow within each of us.

Let these waters wash away all ill, as they bring strength to our community.

Let these waters welcome our ancestors, as they ward all who would stand against us!

Sacred waters flow within this well!

### Recreating the Cosmos

In the beginning and so too in the end; there was but the fires of the Sky and the waters of the Earth and between them a vast emptiness.

Now, within the vast emptiness the illuminating power of the heavens and the creative potential of the Earth converged. The fires of the Sky ignited the waters of the Earth and new life began to stir.

Through the union of fire and water came forth the worlds, the realms, and the Mighty Kindred., nine holy things which would create all others.

### *Weaving the Druids Mist*

#### **All:**

The waters support and surround us,  
The land extends about us,  
The sky stretches above us,  
And at the center burns a living flame,  
Let us pray with a good fire,  
May all the Kindred bless us,  
May our worship be true  
May our actions be just  
May our love be pure.  
Blessings, honor, and worship to the holy ones.

### Growing the Sacred Tree

Before us, the great tree begins to grow.  
Roots burying deep within the Underworld  
Branches reaching the highest Heavens.  
Mighty ash of the ancient groves,  
You are the...  
Keeper of Sacred knowledge  
Pillar joining Earth and Sky; the Road to all Realms.

Sacred tree, grow within this place.

***The bile is asperged with water from the well and censed with incense.***

### PROCESSION

For our ancestors, the time of Lughnasadh was the time of the first harvest; the time when the first grains of barley were ground and baked into bread. The hunger had ended, and the tribe could look forward to the bountiful season of harvest. Like our ancestors we reap what we sow, and this day we give thanks and honor to the Mother of this Land, the Goddess of Sovereignty without whose blessings we could not survive.

***Participants will be asperged during the chant that follows:***

#### STATEMENT OF ENDING

Once more take a few deep cleansing breaths as we reaffirm our center (**pause 4 count**). We stand together at the center of all worlds, upon the land, beneath the sky, surrounded by the sea. We span the worlds, connecting earth and sky and the Kindred as one (**pause 4 count**).

Remember that below us flows the primal waters filled with the potential of all life. It is these waters that surge through your very being. (**pause 8 count**)

Remember that above us burns the primal fires filled with the spark of all life. It is these powers that have illuminated the waters that surge through you. (**pause 8 count**)

The primal powers of fire and water unite within us bringing new life and balance to our beings. Our hearts beat with the very pulse of all worlds (**pause 8 count**)

Remember that we share these worlds with the Spirits of Nature, with the Ancestors and with the Gods. As they bless us, offer their wisdom and guidance let us forever remember the old bargain.

Remember the powers of earth and sky, the sacred fire, and waters, that flow within you... take what you need to maintain balance and release back to the earth and sky all that has gone unused. Know that the fire and water that flows from us helps to sustain the worlds, the realms, and the Kindred as we conclude our worship.

May all that is be what was, that it may be again!

Musical Signal- *A drum beats 3X3.*

**All:** We will keep the faith until the sky falls upon us and crushes us; until the earth opens and swallows us; until the seas arises and overwhelm us.
